Page 1 of 1

GENERAL INFORMATION

REF	PRODUCT DESCRIPTION	PHOTO
1051-PEVA	The PEVA GOWNIES are made from soft and flexible PEVA (polyethylene vinyl acetate) fabric that allow you freedom of movement. Other advantages of PEVA include: good elasticity, environmentally friendly, skin-friendly. The protective gowns are made for use by staff, visitors, patients and residents in nursing homes, clinics, doctor's offices and hospitals. Compared to conventional protective clothing, this single-use insulation clothing offers you more comfort in your daily work, while providing all-round protection in hygienic areas! Their smooth and liquid resistant surface prevents bacterial growth.
